PB Heat, LLC – Manufacturer Certification Statement Regarding Peerless® Oil-fired Boilers for use with Biofuel Blends

Peerless® oil-fired boilers are listed for use with oil burner manufacturers – Carlin, Beckett and Riello burners. These burner manufacturers have approved their burners for use with biofuel blends up to and including B20 and have now included markings on the burners indicating they are compatible with B20 fuel.

The following Peerless® oil-fired boiler series are compatible for use with biofuel blends up to and including B20 when equipped with a [Carlin](#), [Beckett](#) or [Riello](#) burner:

Peerless® Series WBV®

Peerless® Series EC™

Peerless® Series WV-DV™

[Federal Tax Credits for Energy Efficiency](#)

The *Inflation Reduction Act of 2022* provides federal tax credits and deductions to homeowners who make certain energy efficient home improvements. Under the Act, homeowners who purchase and install eligible gas or oil-fired, hot water boilers between January 1, 2023 and December 31, 2032 can claim 30% of the project cost, up to \$600. Visit [EnergyStar.gov](#) for complete information and instructions for [IRS Tax Form 5695](#) (please consult with your local tax professional).

Gas-fired hot water boilers must be ENERGY STAR® certified \geq 95% AFUE to be eligible for the tax credit.

The following Peerless® natural or LP gas-fired boilers are eligible for the federal tax credit under the Inflation Reduction Act of 2022:

- [Peerless® PureFire®](#): models PF-50, PF-80, PF-110, PF-140, PF-200, PF-210
- [Series PBC™](#): models PBC-34, PBC-40, PBC-52

Oil-fired hot water boilers must be ENERGY STAR® certified \geq 87% AFUE and “rated by the manufacturer for use with fuel blends at least 20% of the volume of which consists of biodiesel, renewable diesel or second-generation biofuel” (per [Energystar.gov](#)) to be eligible for the federal tax credit. The following Peerless® oil-fired boilers are eligible for the federal tax credit under the Inflation Reduction Act of 2022:

- [Series WBV®](#): models WBV-e-03-060, WBV-e-03-085, WBV-e-04-095, WBV-e-04-125
- [Series EC™](#): models EC/EC(T)-e-03-075
